

Probability -Assignment #1

Engineering Mathematics for Advanced Studies
IIT Dharwad
Autumn 2019

Submission - Thursday 15th Nov. 2019 2:05 pm

Total score - 10 marks

Late penalty - 1 day late* 30%, 100% for more than a day (*starts from 2:05 pm, 15th Nov. 2019!)

- Use internet resource and complete background self-study to understand following concepts/terms *in the context of probability and statistics*. For each of the term given below provide:

1. Concise description
(max. 2 sentences)
2. Noticeable relevant finding
(min. 1 finding that caught your attention)

(1 mark each)

No.	Concept/Term
a)	Experiments
b)	Outcomes
c)	Sample Space
d)	Events
e)	Independent events
f)	Distribution
g)	Population
h)	Sample Population
i)	Statistic
j)	Variance
